In our Hindu religion, we celebrate special festivals for every form of the Almighty. Lord Venkateshwara Jayanthi (Birthday) falls on the Sravana nakshatram in the month of Pura-taasi. The Hindu community of Silicon Hills is blessed to have the Lord of Seven Hills in the Austin Hindu Temple. On this auspicious day, AHT will perform Abhisekham to Moola Virat with various dravyas (milk, curd, honey, turmeric water, etc) and also Vishnu Sahasra Naama Archana with Tulasi Leaves. AHT requests devotees to join in celebrating this special event and receive blessings of Sree Venkateshwara. Devotees are welcome to bring organic milk and yogurt to offer in abhisekham. AHT also requesting devotees to bring Tulasi Leaves to be offered to Lord Venkateshwara during the Samoothika Vishnu Sahasra Naama Archana.
