Come, let us all celebrate Vighraha Pratishta of Niruthi Prasanna Ganapathi amid Vedic Chants

The Southwest corner, also called Niruthi in Sanskrit or Kannimoola in Tamil, is one of the Ashta Dikpaalakas (Lords of 8 directions). Niruthi is mentioned in many hymns in the Rigveda, extolling the unique power of being the protector of everything around that space. Lord Ganapathi sanctified in Kanni moola, becomes both the “Baktha Rakshaka” (protector of devotees) and “Vigneshwara” (remover of obstacles).
