DEEPA MAHALAKSHMI POOJA

Friday, August 3rd, 2018 at 7 PM

AADI VELLI THIRUVILAKKU POOJA

'Thiruvilakku' is an artistically crafted lamp (Deepa), which has a place in the shrines in South Indian Hindu homes. It is the symbol of Mahalakshmi, the deity of Fortune and Prosperity. Thiruvilakku Pooja aims at collectively worshipping Mahalakshmi by a large number of women at a time. This is said to bring prosperity to the home and peace to the world. It is mainly done for the well being of the woman's family; it brings all auspicious things to each and every member. Mahalakshmi comes to one's house the moment they light the lamp and will grant every single desire of their heart! It is wonderful that the women can gather and do this in temple.
