Deepa Pooja

AADI VELLI THIRUVILAKKU POOJA

Friday, July 24th 2026 at 6.45 pm

'Thiruvilakku' is an artistically crafted lamp (Deepa), which has a place in the shrines and South Indian Hindu homes. It is the symbol of Devi, the deity of Knowledge, power and wealth. Thiruvilakku Pooja aims at worshipping Devi collectively by a large number of women at a time. This is said to bring prosperity to the homes and peace to the world. It is mainly done for the wellbeing of the woman's family; it brings all auspicious things to each and every member. Devi comes to one's house the moment they light the lamp and will grant every single desire of their hearts. It is wonderful that the women can gather and do this in the temple. It is traditionally done on the Fridays of Tamil month Aadi. This year, we will do this Thiruvilakku Pooja at Devi Rajarajeswari Sannidhi of AHTCC.
